Good morning Luis

Mrs. Robinson had the other two guys go off duty at 1600hrs on Monday. She said they weren't doing anything for the remainder of the day. That was the only time she had did that. She also mentioned to me of possibly only using the outside uniform officer for only graveyard while us EP agents are not on duty. Possibly an 8pm-8am shift. I told her to run it by Mr. Robinson and you guys and I'll make the adjustments.

August 5, 2015 Officer William Onuchukwu  
-0730 on duty at the residence in Summerlin  
-0753 left home en route to the gym  
-0806 arrived at the gym  
-0928 went with Mrs Robinson, Jaqueline, Jay Jay and Philipp downstairs to the LifeTime  
Snack-bar.

Mrs Robinson was ordering food and something to drink. The employee at the Snack-bar was  
new, therefore it took her a little bit longer than it usually takes.

A couple minutes later I recognized a BMA (Black Male Adult) who was standing behind Mrs  
Robinson in a safe distance to Mrs R. The BMA was starting to say the following to Mrs R.:  
"Are you kidding me right now? Get your fucking family, your fucking food and get the fuck out  
here!!" As soon as he was starting to talk like that I took the empty spot between the BMA and  
Mrs Robinson to make sure she and the Juveniles are safe! Furthermore I blocked the BMA's  
view and told him to stop this behavior right now!! The BMA was verbally aggressive but was  
not threatening Mrs R. He kept going to say : " Get the fuck out here , take your fucking family  
with you" We walked over to the reception and told them about this incident and the BMA. After  
that we left the facility. During that time the BMA was sitting at a table, waiting for his  
breakfast.

The management was notified about that incident as well. Mrs Robinson canceled her  
membership with LifeTime Fitness right away. She is not going back to this facility anymore!  
Mr Robinson is probably going to use the rest of the membership (until end of September) with  
Jay Jay.
